Onboarding Screen

Welcome to GenIQ

Let's get you started with our powerful learning tools

Find Learning Materials

Access thousands of courses, tutorials, and resources tailored to your learning goals.

- ✓ Advanced search filters
- ✓ Curated collections
- ✓ Industry-specific resources

AI Skill Recommendations

Our AI analyzes market trends and your profile to suggest the most valuable skills to learn.
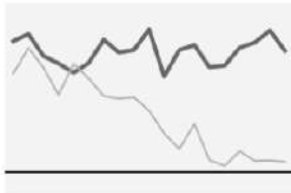

- ✓ Personalized learning paths
- ✓ Industry demand insights
- ✓ Skill gap analysis

Track Your Progress

Monitor your learning journey with detailed analytics and achievement milestones.

- ✓ Visual progress dashboards
- ✓ Skill mastery certificates
- ✓ Learning streak rewards

Join Our Learning Community

Connect with peers, mentors, and industry experts to enhance your learning experience. Share resources, participate in discussions, and collaborate on projects.

- 25,000+ Members
- Active Forums
- Collaborative Projects

Get Started   I Already Have an Account

10,000+ Courses

Access our extensive library of courses across various disciplines and skill levels.

Industry Certifications

Earn recognized certifications to validate your skills and boost your career.

Hands-on Projects

Apply your knowledge with real-world projects and build your portfolio.

24/7 Support

Get help whenever you need it from our dedicated support team and community.
